Rose Reinhardt

NOTE

I began teaching in Fall 1985 in addition to making good progress toward an Electrical Engineering degree at Lima Technical College (later re-named Rhodes State College). By 1986, teaching was more interesting than finishing, but I sometimes wish I had taken the last 2 or 3 courses to finish the degree. My electronics hobby led to a complete career change when I began a doctoral program in communication in Fall 1987.
